EVERYTHING YOU NEED TO KNOW ABOUT THE CHANGES TO THE VA PENSION

Join us for dinner at Carmel Terrace to learn everything you need to know about the changes to the VA Pension. Patty Servaes, VA Accredited Agent, will discuss the 10/18/2018 changes to the VA benefit and how these changes have made it a lot easier for people to qualify for VA benefits. Patty was instrumental in advocating for changes in the medical criteria and allowable medical expenses and will be walking you through how these changes are beneficial for you or your clients. The VA Pension Benefit is a monthly benefit for wartime veterans and their spouses which may help pay for Assisted Living.
